

INSURANCE SERVICES

Marks Paneth & Shron LLP (MP&S) offers clients a breadth and depth of experience in economic and financial analysis associated with all types of insurance claims. Our Litigation and Corporate Financial Advisory Services professionals have in-depth knowledge of claims related to property losses, business interruption, casualty and theft, misconduct by officers and directors and allegations of professional malpractice.

Our team consists of more than 25 professionals dedicated full-time to litigation and consulting matters. Team members' credentials include CPAs, financial analysts, fraud and forensic accountants, economists and valuation specialists.

MP&S provides economic and financial advisory services directly to the insurance industry, as well as to its outside counsel, on claims arising from:

- Business interruption losses
- Loss of business value
- Bad faith claims
- Employee dishonesty
- Director and officer liability
- Professional malpractice
- Casualty loss and product liability
- Theft of intellectual property
- Employment discrimination claims
- Personal injury and wrongful death

Our clients include insurers, reinsurers and their outside counsel. We have expertise in matters involving litigation, arbitration, mediation and have served as court-appointed experts in dispute resolution.

Services Offered:

Assessment of Potential Damages:

- Catastrophic event losses
