

**MATTHEW ESTERSON, CPA**  
SENIOR MANAGER

Matthew Estersohn, CPA, is a Senior Manager in the Nonprofit, Government & Healthcare Group at Marks Paneth with more than 10 years of experience in providing accounting, auditing, tax and consulting services for the nonprofit industry. He has planned, coordinated and conducted audits for a wide range of nonprofits, including social service organizations, health and welfare organizations, educational institutions, private foundations and membership organizations. He also specializes in single audits for nonprofits that receive federal funding.

In addition, Mr. Estersohn performs reviews of New York State cost reports; preparation and review of single audit financial statement reports; preparation and review of tax returns (Form 990, 990-T, 990-PF, CHAR 500); and audits of multi-employer and single employer pension plans (defined benefit and defined contribution). He has led training seminars on various accounting and auditing matters, including nonprofit accounting and compliance audits.
